**Re: CRB Complaint File No.: 08-005**

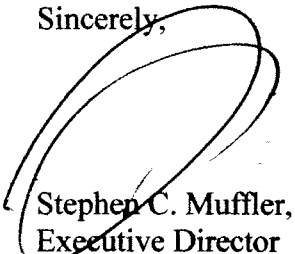

Dear Mr. Rosenstein:

Thank you for taking my phone call this morning. To confirm our conversation, the Board will be meeting on your file Monday, November 10, 2008 at 6:00 p.m. (EST). You can call into the meeting at that time to voice your concerns about your file and to ask the Board if they will consider a postponement of the matter until you can gather up more documents. The phone number to call into is (305) 292-8184.

Your main concern is that you feel that the Key West Police Department should not be using known active alcoholics or drug addicts as confidential informants due to credibility issues. Further, you did plead out your criminal case to probation and you are still on probation as of this date for those charges. Finally, this is your new mailing address and you will not be returning to Key West in the near future.

If you have any further written comments to add to your file, please write them and send them to me by fax at (305) 293-9827 as soon as possible.

Sincerely,

Stephen C. Muffler, Esquire  
Executive Director
